

# BRADENTON WOMAN'S CLUB

MONTHLY NEWSLETTER

## PRESIDENT'S WELCOME

Hello Ladies! I hope all of you survived Ian with little to no loss. If anyone is in need, please reach out! We are here for one another.

I know the September newsletter was just sent out with the meeting notice, but it will be the goal moving forward that you will have the newsletter the first week of each month.

I also know I might have overwhelmed some of you with all the "goings-on" of the club but I hope you will hang on tight to the life line we all grabbed at my installation and remember we are in this together!

And last thing, PLEASE register as a member on our website!

**NEW THIS MONTH**

- New membership brochures have been printed and will be available at our October 17th meeting.
- Please share the word about our President's Tea & Luncheon on October 19th! This is a membership drive in disguise and we hope to welcome many new wonderful women into our club. More info on back page.

## VETERANS LUNCHEON - SEPTEMBER 24, 2022

The Veterans Luncheon was a huge success with 125 attendees, including the All Womens Color Guard. Hat's off to Janet & Willy Orr and their committee for recognizing the service and sacrifice of these amazing women veterans. The joint effort included 34 volunteers from 4 different organizations.

## MANATEE AVE CLEAN-UP DATES

We are overdue for clean-up dates...especially now that we have our new signs identifying our adopted section. We would like to have a date in October, November and December.

This project falls under the Environment CSP. (These are the areas of interest you signed up for at the September meeting.) Fran Kain has offered to oversee this project until the Environment CSP Chairman has been appointed. Please contact Fran for instructions on how to complete this project and record your participation.

THANK YOU for helping out!

*You are cordially invited to attend*

### BRADENTON WOMAN'S CLUB PRESIDENT'S TEA & LUNCHEON

Please be our guest as we share tea, lunch and friendship.
