

ABOUT US

Bradenton Woman's Club, Inc. is a non-profit organization chartered in 1913.

We are a member of the General Federation of Women's Clubs (GFWC), an international service organization, dedicated to community improvement by enhancing the lives of others through volunteer service. We believe in "Unity in Diversity" and "Living the Volunteer Spirit" which is demonstrated daily by our club ladies through their commitment and dedication to our community and those we serve. While diverse in age, interests, and experiences, our clubwomen are united by a desire to create positive change.

We are mothers, daughters, grandmothers, even great grandmothers. We are volunteers- women that want to help each other and our community.
